**MEMORANDUM FOR: Project Director of Operations**

**SUBJECT : Air Force Briefing During the Week of 23 April 1956**

1. Pursuant to your question to me on subject yesterday, I discussed the matter with Mr. Russell.

2. [redacted] Chief, Reconnaissance Branch, Operations Control Division, Hqs. USAF, will be briefed on Project AQUATONE's Operations Plan with an indication as to where AQUATONE will initiate operations and the territory over which we will fly. Emphasis should be made on how AQUATONE's plans fit into Air Force plans and programs. Project AQUATONE will be considered in relation to existing Air Force projects, and a resultant briefing by the Air Force will be received by the Project at a later date.

3. Colonel Gibbs will do the briefing; and the specific contents of the briefing should be discussed with him, although Mr. Russell would like to review the preparation for the briefing before the end of next week (21 April).
